## Sailing Charters

Enterprise Chartered Inc. has provided you with this informational brochure for you to review with your guests and to better acquaint you with the services that we have been providing for the past 30 years.

The “**Enterprise**” is a tall, two masted, triple sail 41-foot Morgan Out Island 415. She is unique in that she is the only 415 Morgan Out Island, "the Rolls Royce of Sailboats," ever constructed at the Morgan Yacht Factory under Coast Guard specifications for more than six passengers, making her the safest sailboat in Sarasota and truly one of a kind. The “**Enterprise**” is a center cockpit boat ideally designed for individuals or groups to enjoy hours on the open water. She is the **only** licensed and documented U.S.C.G. inspected sailing vessel in the City of Sarasota to legally carry more than six passengers.

Our U.S.C.G. certificate of inspection allows for up to 12 passengers. We carry a life raft on board as well as life jackets for all our passengers’ safety.

The **Enterprise Sailing Charters** is Sarasota’s premiere professional sailing charter having been in business for over 30 years. The “**Enterprise**” is the safest sailboat in Sarasota and truly one of a kind. What makes “**Enterprise**” the largest and safest sailboat in Sarasota are the Coast Guard requirements of dry bulkheads, automatic fire extinguisher systems, stabilization tests, annual inspections and eighteen tons overall weight that ensures you will always have a smooth ride. The Coast Guard requires that every sail is to be captained by a trained U.S.C.G. licensed **Master** Captain with a U.S.C.G. certified sailing endorsement on his license plus every sail must also have a professionally trained First Mate. “**Enterprise**” Captains and First Mates are also required to be trained in man overboard drills, fire drills, first aid, CPR and abandon ship procedures.

### Comfort:

“Enterprise” has all the comforts of home. Below deck, she has over 6 foot, 4 inches of head room with a center salon that can comfortably seat twelve passengers, two heads (restrooms), galley with

two refrigerators and two state rooms, but who wants to sail below deck when you can sit on the

bow with the wind in your face on large comfortable pillows surrounded by the sea and soft music playing in the background on our surround sound system or

in the center cockpit beneath the shade of the bimini top.....

So, join us and **Sail** the turquoise sea.....**Feel** the warm breeze.....**Relax**.....**Enjoy** the beauty while seeing the sights as curious dolphins swim alongside. We see dolphins on almost every trip.

View local historic landmarks and celebrity homes of Sarasota from its waterways while sailing aboard the **Enterprise**. Let gentle waves, faint jazz and the setting sun team up to take you into a world that is fun, relaxing and beautiful. Snuggle with a partner or party with friends.

**Enterprise Chartered Inc.**, the owner of the vessel “**Enterprise**,” offers “Burial At Sea” services. These services can be either attended or unattended scattering of ashes services on the Gulf of Mexico. Pricing is based upon five different sea services that we offer and can be provided upon request.

A commemorative Certificate of Burial at Sea suitable for framing stating the loved one’s name, date, latitude and longitude of the ceremony will be mailed to loved ones. This information is recorded so that families may return for memorial services.

## Wedding Services:

“Enterprise,” the **only** licensed and documented U.S.C.G. inspected sailing vessel in the City of Sarasota that is legally allowed to carry twelve passengers, provides various wedding package sails. Enterprise can take bachelor’s parties or wedding showers on day sails and evening sunset sails. Many wedding organizers have utilized our sailing trips for pre or post

wedding parties for friends and family members of the bride and groom. For years, we have been providing the actual wedding ceremony, both formal and informal weddings, using your vows or ours.

The Captain will perform your ceremony or you can bring your own clergy to perform the ceremony.

Upon completion of the wedding ceremony, you will sign a Certificate of Marriage declaring your union on the vessel Enterprise.

Prices vary based upon the time and length of the sail.
